MIND WEB

MISSION DETAILS

Location: Rogue Agent SHIFT Module 2

Includes: 2 Cards (Mind Web, New Recruit), 1 Mind Web token, 1 Recruit token

If the Recruiter wasn't on any of the other locations, then no step tokens are placed

From now on, the Recruiter needs to contact 13 recruits instead of 12 to win the game (or make it to 16:00)

Place both cards and 1 Mind Web token back in the sealed package once the game is over.

Add the Recruit token to the main game and not back in the sealed package.
